

SAM EBENEZER P

Final Year B.Tech CSE Student | Software Engineer Aspirant

samebenezer718@gmail.com | 8754375878 | Coimbatore, India | LinkedIn | GitHub

SUMMARY

Final-year B.Tech Computer Science and Engineering student with a strong foundation in Java, Python, SQL, Data Structures & Algorithms, Object-Oriented Programming, Database Management Systems, Operating Systems, and Computer Networks. Hands-on experience developing Java and IoT-based academic projects. Passionate about problem-solving and seeking an entry-level Software Engineer role.

EDUCATION

Bachelor of Technology in Computer Science and Engineering

Karunya Institute of Technology and Sciences

Coimbatore, India

2023 – 2027 | CGPA: 6.85/10

Relevant Coursework: Data Structures & Algorithms, Database Management Systems, Object-Oriented Programming, Operating Systems, Computer Networks, Software Engineering

TECHNICAL SKILLS

Programming Languages: Java, Python, SQL

Core Computer Science: DSA, OOP, DBMS, OS, CN

Databases: MySQL

Tools: Git, GitHub, Visual Studio Code (VS Code)

PROJECTS

Automated Theft Reporting Device with Cellular Callout

- Technologies Used: ESP32, MPU6050, GPS, GSM, C/C++, IoT
- Developed an IoT-based theft detection system using ESP32 for real-time motion detection.
- Integrated GPS and GSM modules to send SMS alerts and emergency calls with live location tracking.

Online Quiz Application

- Technologies Used: Java, Object-Oriented Programming
- Developed a console-based quiz application with an automated scoring system.
- Implemented OOP concepts, input validation, and result generation.

Morse Code Encryption & Decryption System

- Technologies Used: Arduino, C++, TFT Touchscreen
- Built an Arduino-based Morse code encryption and decryption system using a touchscreen interface.
- Enabled real-time encoding and decoding with buzzer feedback.

INTERNSHIP

Cisco AICTE Virtual Internship – Cybersecurity

Cisco Networking Academy | AICTE | 2025

- Completed a virtual internship covering cybersecurity fundamentals and network security.
- Learned cyber threats, attack mitigation techniques, and secure communication concepts.
- Gained practical understanding of cybersecurity best practices through industry-oriented learning.

CERTIFICATIONS

- Oracle Data Platform 2025 Certified Foundations Associate | Oracle | 2025
- Microsoft Certified: Azure Data Fundamentals (DP-900) | Microsoft | 2025
